Notes About Registration:

- When you register on the CNYCSS website you are informing our organization of your intent to attend this event and when mailed payments are received our VP for Membership will update your account to reflect this.
- If you are able to register on the website, please do. This makes the registration process much more efficient. Mail-in registrations have to be processed manually by our VP for Membership which takes time. In addition, on the day of the conference if you are registered and paid in advance you simply have to stop by the Registration Table upon arrival to collect conference materials and then proceed to the continental breakfast and days' events! If you are not registered and/or paid in advance you must see the VP for Membership and Treasurer at the Solutions Desk so that your account can be settled.
- Keep in mind that everyone who is registered for the conference will receive a confirmation e-mail, and when your account balance is paid you will receive a separate confirmation e-mail. If you do not receive these confirmation e-mails you are not fully registered for the conference.
- Please contact our VP for Membership at caronalds@fanpastic.com for assistance.
